"But pleasures are like poppies spread;
You seize the flower, its bloom is shed,
Or like the snow falls in the river,
A moment white — then melts forever."

Suddenly we've arrived - grade twelve. After a thousand years of childhood securities we are confronted with an awesome picture and responsibility - the world.

As our fair earth becomes more and more a global community, we must face association with a rapidly increasing mass of people, and the host of problems involved - or "hie to the hills" (mentally and physically). Either alternative has risks.

I believe this realization is one of the most important a student can and should grasp from his school experience. It is precisely at this point that the student government should fit in, by helping to create a learning atmosphere throughout the school - an atmosphere in which students can really communicate with and enjoy each other.

In a school the size of Bonnie Doon, such a goal is hard to achieve; but the great number of enthusiastic kids prove its possibility. Judging from the response to the many activities, this year has been very successful. There is a host of people responsible for the success, including members of staff and administration, who deserve medals but all I can give them here is a somewhat redundant "thank you". As president, my last few months of school life have been exhilarating, tiring, happy, disappointing, maturing, but seldom dull. I count this year as the best yet.

SOCIAL ACTIVITIES

"O enviable early days,
When dancing thoughtless pleasure's maze,
To care, to guilt unknown."

-Robert Burns

FROSH WEEK

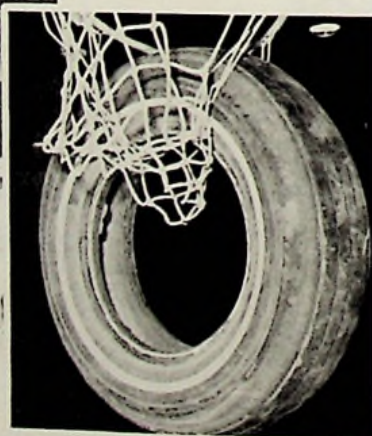

The "tender" grade tens were unmercifully harassed by mean seniors during Frosh Week, September 12-14. Hundreds turned out to a rousing wind-up "slaughter" at the Frosh Dance with "The Nomads".

Psychedelic lights, black cats, and stomping students created a Hallowe'en freak-out in the hallowed halls of Bonnie Doon.

"The Sons of Adam" brought out such notables as Granny Goodwitch and Ahab the Arab.

It'll never go over with the P.T.A."

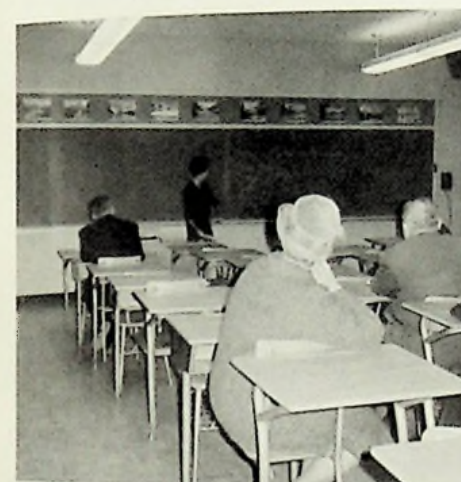

NOVEMBER

November was a fun-filled month for Doonites. Most outstanding were the days when students donned the garb of the '20's, and put to the test their imaginative bow-tie creations.

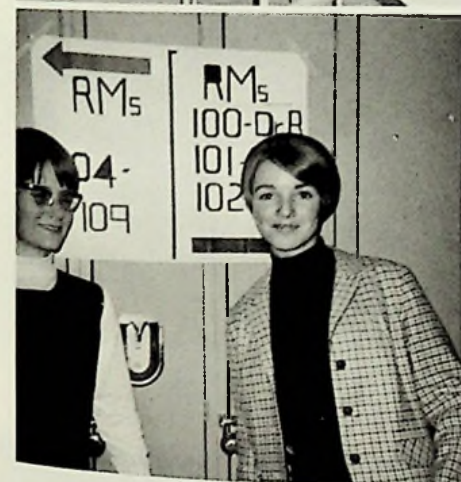

During this month the parents invaded B.D. and assumed the students' role.

"Her? She's a knee-warmer!"

"Bet you say that to all the girls."

"Gaa! Gaa!"

"Fun Seekers"

"We swing a little."

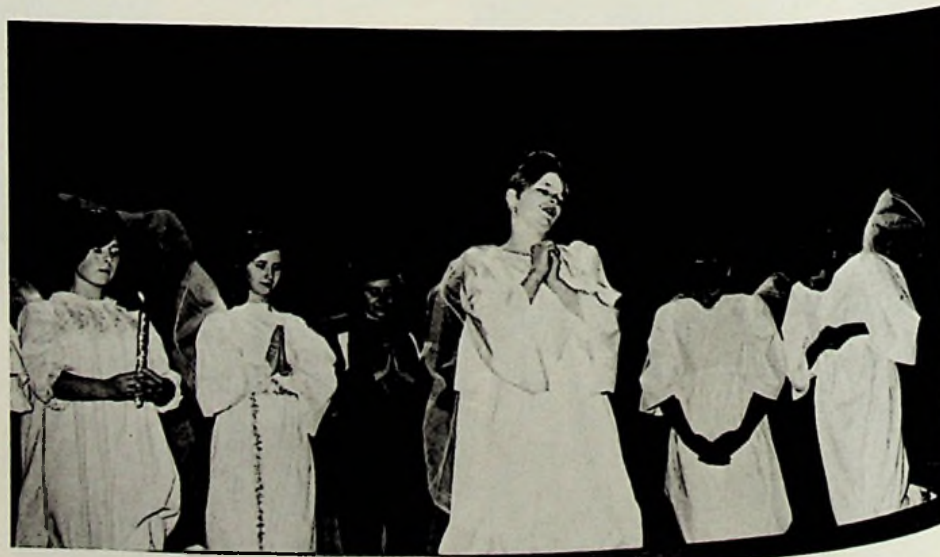

YES, BONNIE DOON

The Christmas Spirit invaded Bonnie Doon full-blast this year. Santa was around finding out what all the "good" little girls and boys wanted for Christmas. B.D.'s own "Boutique" opened its doors to the students Christmas Week offering such worthwhile merchandise as B.D. Lancer badges and the school scarf.

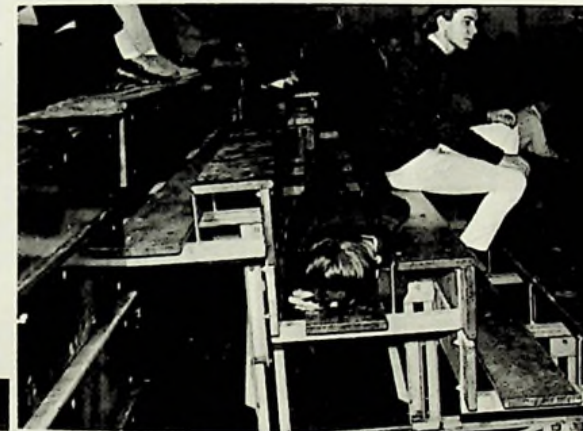

"Happiness is . . . !?"

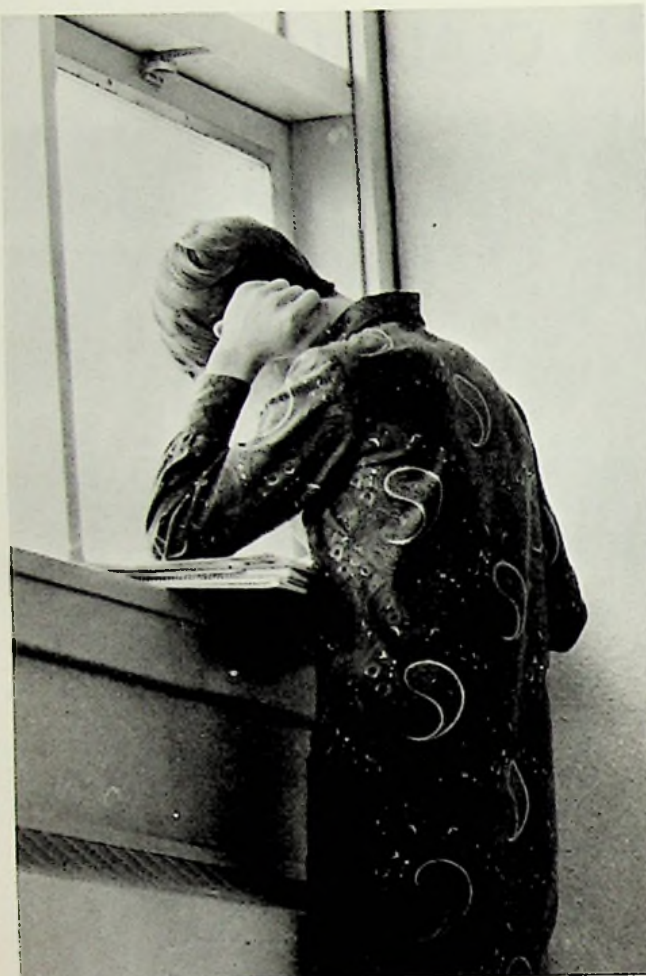

THERE IS A SANTA CLAUS!

Also a first this year at B.D. was the opening of an inter-school postal system. Students could send cards to fellow students via the post office. Each card required the purchase of a 1¢ T.B. stamp. Mail deliveries were made every morning and afternoon.

The highlight of Christmas was the dance "Christmas Capers" featuring the "Brinkman Bros.". Everyone looked great as most showed up dressed to kill!

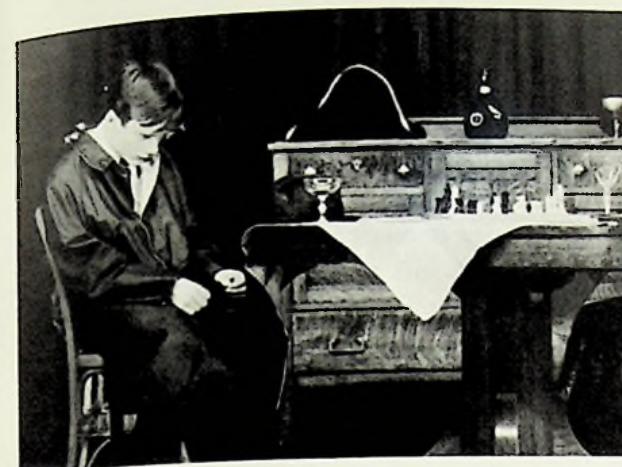

JANUARY

January was study month as Doonites prepared for mid-term exams.

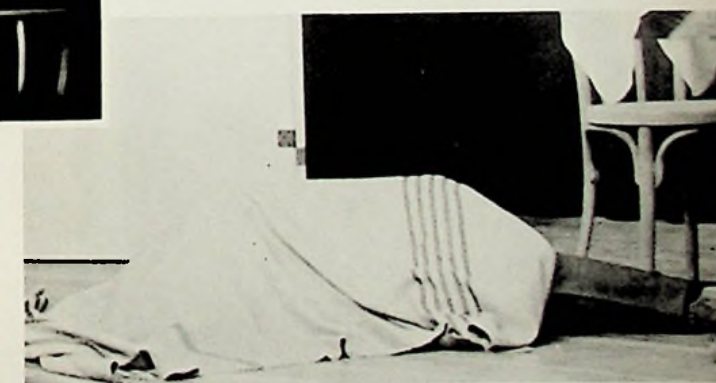

The staff and students of Bonnie Doon presented Lieutenant-Governor MacEwan with a copy of Tam O'Shanter'67. The yearbook was dedicated to Mr. MacEwan and the late Governor-General Vanier.

DRAMA

The students of B.D. showed their acting talents in a series of one-act plays presented to the student body. They ranged from whimsical to ironical, and were thoroughly enjoyed by all.

SPRING

With the coming of spring B.D. school activities flourished. The Pep Squad showered the school with spirit, while the "Spring Fling" featuring the "U.A.R." really shoved Spring through the door.

Students took a half-day for educational sight-seeing at the Career Fair.

CANDID CONTEST

The second week in April, the "Tam O'Shanter" Staff sponsored a candid contest. All students, except the Yearbook Staff were eligible to enter pics for judging. Photos were taken of students and some prize pictures of teachers! The first prize winner received a record album.

The entire Yearbook Staff judged the entries and the best three entries are presented here for your inspection.

FIRST PRIZE: Bob Palmer

SECOND PRIZE: Marnie Dougal

THIRD PRIZE: Bob Palmer

AS WE SEE THEM

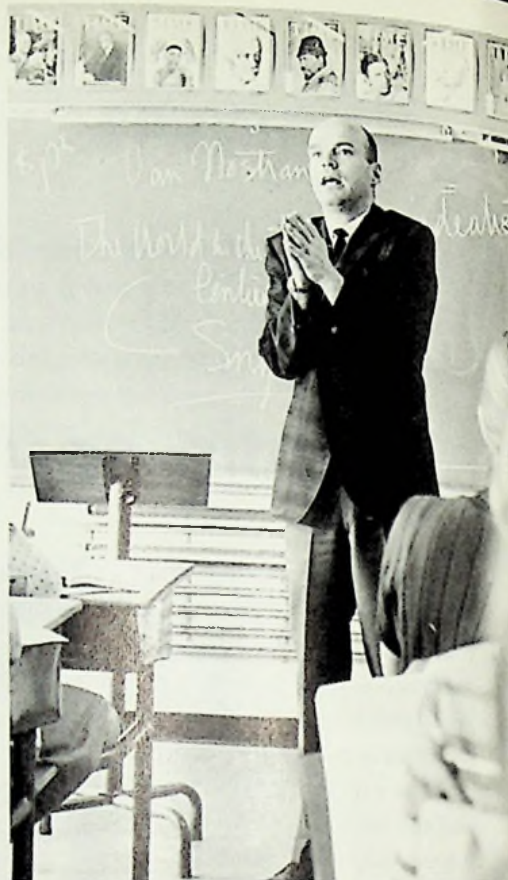

For years teachers have been viewing hundreds of students and very often commenting on the same. Teachers are pretty queer creatures themselves. So for your enjoyment we present to you a few teachers who show the world what they're really like . . .

SENIOR VOLLEYBALL

TOP TO BOTTOM: Lisa Casselman, Sharon Holmstrom, Pat Busch, Linda Dougan, Sherry Allen, Marie Pelech, Terri Lemmon, Carol Symic, Judy Debolt, Marilyn Rose, Nadine Purpur, Captain; Barbara Stewart, Miss McFarlane.

Under the skilful coaching of Miss McFarlane, the senior volleyball team was very successful. After a 22 win 6 loss record in league play, the team met St. Joseph's in the semi-final and won their way to the city final against Harry Ainlay. Though the girls lost to Harry Ainlay, they advanced to provincial play-offs in Edmonton. At the provincial semi-final game, they sprung back to defeat Harry Ainlay. Unfortunately, they met a powerful Calgary team in the provincial final and were defeated.

Miss Fisher coached the senior girls through a tremendous season climaxed by the city championship. The girls lost only one game in league play and so advanced to the city final by defeating Austin O'Brien in the semi-finals. As a result of their victory over Ross Shepherd in the city final, the team progressed to the provincial play-offs in Medicine Hat. They won their first game to qualify for the semi-final where they met a strong Leduc team and lost.

JUNIOR VOLLEYBALL

FIRST ROW: Carol Sawula, Karen Tracy, Brenda Ritchie, Jane Dawson, Cheryl Herchek.
SECOND ROW: Miss Fisher, Carmen Meckle, Captain; Marg Blondheim, Karen Radstaak, Jeannie Hebert, Valerie Koshman, Irene Lemmie.

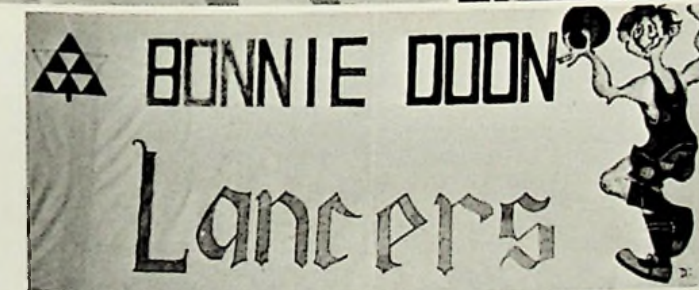

Guided by Miss Fisher, the Junior Volleyball team finished the season at the top of their league with 24 wins and 6 losses. Unfortunately, they lost to Harry Ainlay in the semi-final.

JUNIOR BASKETBALL

The junior basketball team under the direction of Mrs. Parker was completely victorious in league play and defeated Victoria in the semi-final. After a hard fought city final game, the team emerged second to O'Leary by a score of 22-19.

FIRST ROW: Diane Wikipilo, Debbie Stewart, Karen Tracy, Lynda Golmowski, Arlene Tober, Gale Sutton.
SECOND ROW: Mrs. Parker, Marg Blondheim, Karen Radstaak, Jeannie Hebert, Valerie Koshman, Captain; Carmen Meckle, Cheryl Herchek.

GIRLS' HOUSE LEAGUE

Girls' house league activities got off to a smashing start as girls and staff members hopped on bicycles to pedal madly around the field. The teachers' team won but perhaps the addition of tricycles will eliminate the teachers' threat in future rallies. In November the annual house league party featuring a mock track meet was held. The house league council also sponsored a swim meet involving races across the pool in flannelette pyjamas. Mixed volleyball games were scheduled during December and once again a staff team, "The Blue Angels" defeated the students. Before the Easter holidays, a girls' badminton schedule was drawn up and the New Sarepta marathon was run. The winning marathon team dragged themselves across the finish line at 2:00 a.m. Many thanks to the house league council and Gail Janzen, president.

BADMINTON TEAM

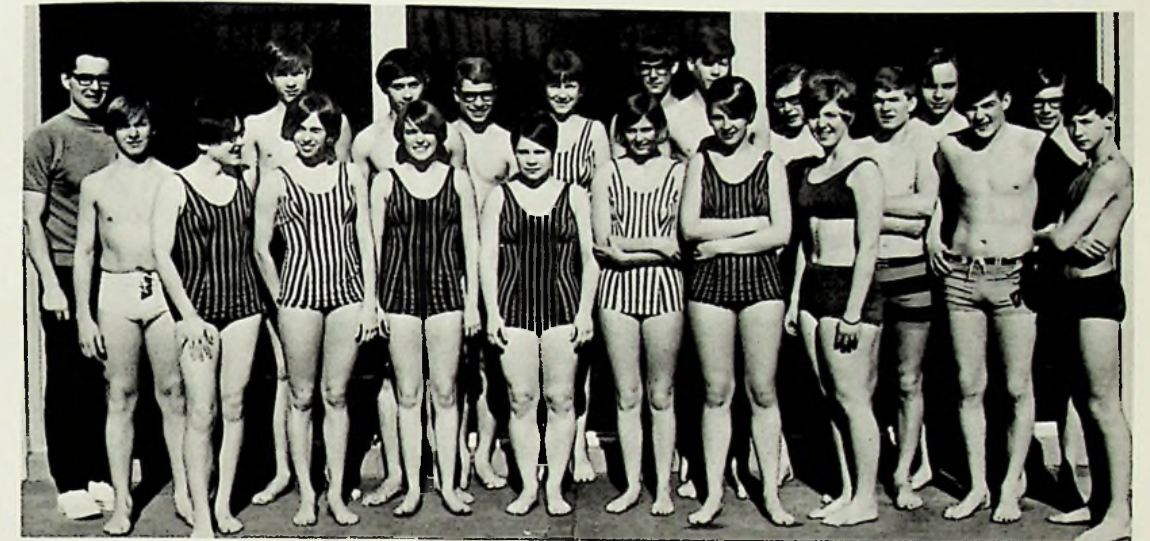

The badminton team enjoyed a season with matches against some of the top players in Edmonton. Eric was successful winning many of his matches.

FIRST ROW: Shirley Lang, Liz Freeland, Janet Slemko, Gerry Smith, Gail Janzen.
SECOND ROW: Mr. Hinz, Stu Gladstone, Gary Marcellus, Jack Hnatiuk, Eric Seneka, Mr. Kravinchuk.

SWIM TEAM

The swim team, though only in its second year at Bonnie Doon, had a remarkable season, finishing second to Scona. Mr. Graham is looking forward to a strong team in 1968-69 with the return of many enthusiastic swimmers.

FIRST ROW: Al Gibson, Shirley Cox, Terry Adamson, Captain; Lorna Henderson, Elaine George, Pat Knox, Janet Peterson, Susan Pierce, Manager; Chris Makin, Robin Wigston, Don Paton.

SECOND ROW: A.A. Graham, Coach; Bob Palmer, Bob Broad, Captain; Peter Zuber-buhler, Shirley Latta, Dale Williams, Tony Bouwmeester, Howard Harleton, Wayne Schmidt, John Hobson.

MISSING: Corinne Parslow.

DIVING TEAM

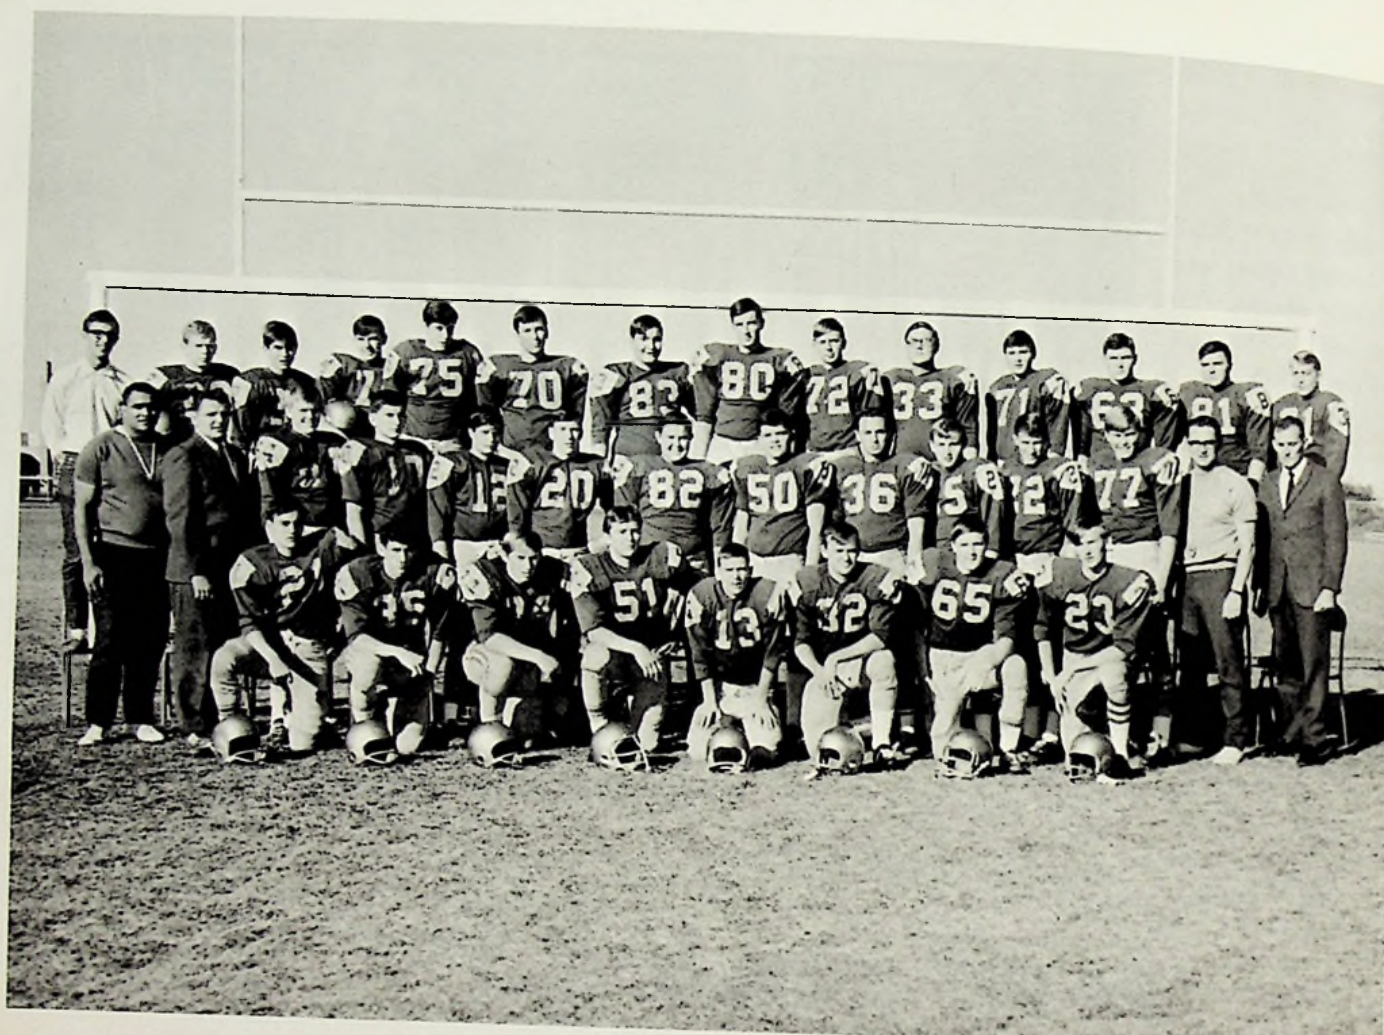

FIRST ROW: Bob Palmer, Brian Barry, Donnelle MacMillan, Shirley Latta, Gary Thorn, Trevor Quinn.

SECOND ROW: Jeff Kozmeniuk, Dave Anderson.

For the first year the diving team has entered inter-school competition. The team, coached by Mr. Doty, did well picking up thirty-four points for fourth place in the final championship.

SENIOR FOOTBALL

FIRST ROW: Jim Novalkowsky, Herb Hickmore, Bill Holland, Bob Mennie, Howie Farrell, Jim Short, Doug Thomson, Dieter Fester.

SECOND ROW: Mr. J. Bright, Mr. M. Eurchuk, Dennis Ewart, Dennis Pipella, Lindy Langner, Lyle Gross, Doug Korpleinsky, Rick Woods, Dave Gibson, Ron Gibb, Greg Stewart, Larry Silvester, Mr. Graham, Mr. Harvey.

THIRD ROW: Lindsay Lamphear, Stan Jackson, Richard Massing, Ron Greenway, Bill Henderson, Dave Sikal, Jerry Fobel, Garry Campbell, Lorne Smigorosky, Jerry Marchak, Grant Petruk, Nelson Shantz, Andy Hearne, Klaus Petzold.

This year's Senior Football team was a convincing winner of the city's Eastern division. The team, coached once again by Mr. Bright, lost only one game in its regular season schedule. Unfortunately, the Lancers had to face the Victoria Redmen in the city final at Clarke Stadium. The Redmen combined size in the line and experience in the backfield to defeat our lighter, less experienced Lancers. With many returnees plus a good crop of Juniors, next year's team promises to be better than ever.

JUNIOR FOOTBALL

FIRST ROW: Terry Hillaby, Chuck Ward, Rick Anderson, Robert Kuzyk, Ron Lang, Earl Stark, Brian Huffman, Lyle Gross, Lindy Langner.

SECOND ROW: Mr. M. Eurchuk, Coach; Bud Steen, Jerry Fobel, Len Langner, John Schubert, Ron Dezman, Al Lawson, Gord Rachar, Robert McLeod, Mr. L. Marchand, Coach.

THIRD ROW: Jim Currie, Ken McAuley, Al Konkin, Brock Hobson, Darwin Sturko, Jim Pugh, Jim McAllister, John Curtis, Richard Potts, Brian Boulton, Pete Gibson, Randy Bertrand, Dave Oakie.

MISSING: Dale Huntingford, Steve Layton.

Under the direction of coaches Mike Eurchuk and Len Marchand, the Juniors finished in a tie for second place this year. Kim Lang was the top scorer and Lyle Gross and Pete Gibson were team captains. Many of these Juniors will help defend the Lancer's Senior division title next year.

COACH

Mr. John Bright, "the coach" at Bonnie Doon for the last ten years is leaving at the end of this year. Although he modestly won't admit it, he made the name Lancers feared and respected all over Alberta. The win-loss records, 69-21 in football and a fantastic 228-39 in basketball, speak for themselves. Bonnie Doon says "Thank you Mr. Bright and good luck!"

Lorne Smigorosky was the league's most accurate shooter, Greg Stewart was the top scorer and Dave Turner was a member of the provincial all-star team. Mr. Bright's last basketball team at Bonnie Doon was a good indication of his coaching ability.

The team placed second in the High School Championships. Team captain and assistant coach, Karl Stark, participated in the Canadian Championship and Olympic trials in Edmonton. Most of the credit for the team's success belongs to the coach, Mr. Eurchuk. Well done, boys, and good luck next year.

Your heart can ne'er be wanting!
May prudence, fortitude and truth,
Erect your brows undaunting!

And may ye better reck the rede,

GRAD. CLASS EXEC.

FIRST ROW: Harold Anderson, Judy Manson, Keith Krull.
SECOND ROW: Mr. Craig, Neil Gower, Doug Warren, Jerry Berg.
MISSING: Geri Cikaluk, Barbara Stewart.

For each and every one of us, graduation holds a particular and personal meaning. To some it means a beginning of higher education, in universities or post-secondary schools. To others it means an end of education and a beginning as individual members of a working society. But, graduation has a similar meaning for all of us. It marks the conclusion of many years of studies and the end of a long phase of our lives. We have completed in preparation for the next, a phase that will see our individual goals come clearly into sight.

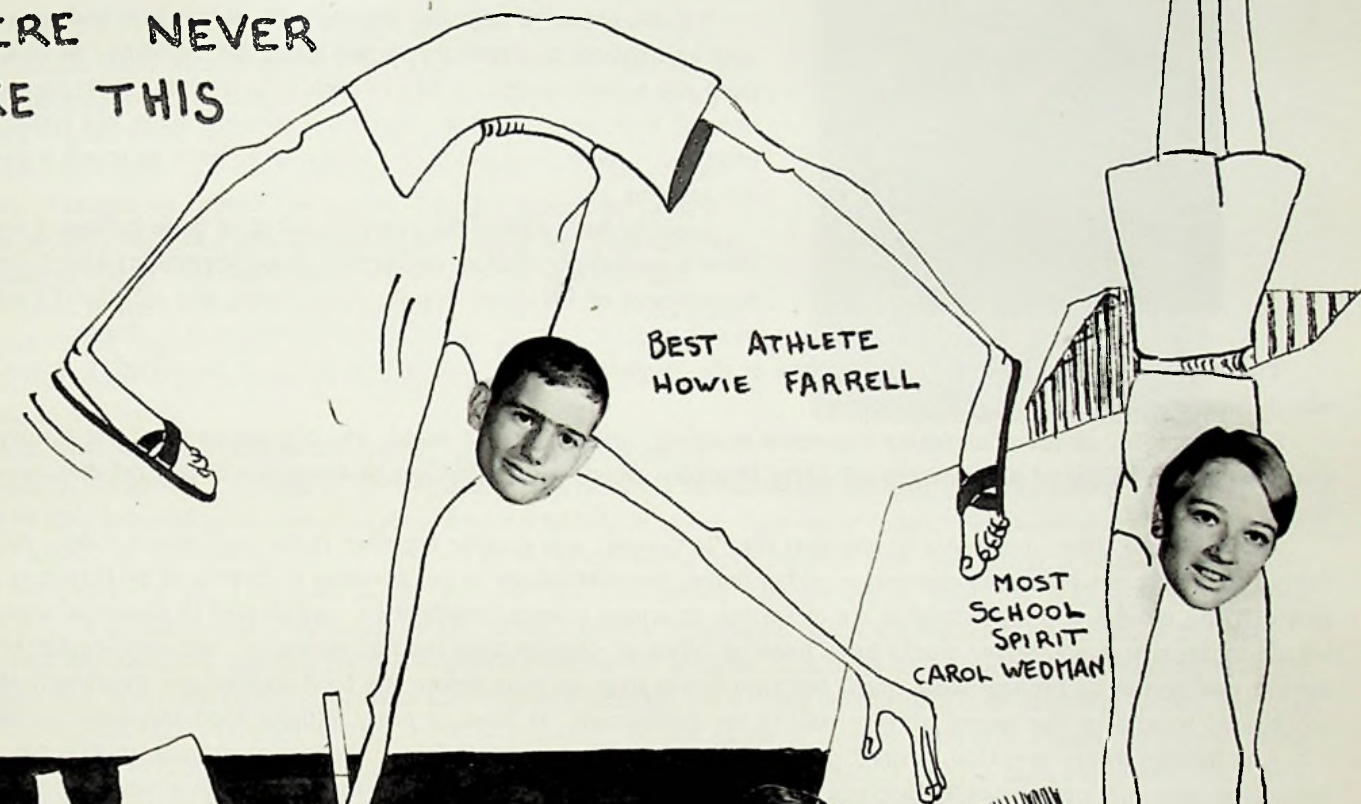

Graduation, to those of us involved in its planning and execution, means a climax of our labours. To be involved in this all-important event is a great honour for us all.

A great deal of thanks must be given to all those involved, both staff and students, who gave up their time and talent to make Graduation 1968 a big success. Without their valuable assistance, graduation would not have taken place.

On behalf of the executive, executive council and staff advisers, I would like to wish each graduand every degree of success in the future and the best of luck in all personal aspirations. But, let us not forget the school to which we all owe so much. Thank you.

CLASS HISTORY

Honourable platform members--and Keith Krull--ladies and gentlemen, fathers and mothers, friends and enemies, accomplices and cohorts, boys and girls, students and drop-outs, and all the rest of you out there in never-never land.

We are gathered together this evening in this vast and magnificent auditorium to celebrate as one group our freedom, at last, from the school system. And to celebrate, it seems most appropriate, or so at least says tradition, that we reminisce about old times and bring back those fond memories which have been so much a part of our growing up.

Looking back across the years which have gone before, I see there a seemingly endless collection of achievements and occurrences of which we can be most proud, and which, if I were to relate them to you, would probably bore you to death.

Therefore, I should like to speak of some of the laughable things and perhaps a few of the naughty things which have lightened our plodding hither.

Since tonight, or more correctly tomorrow morning, will bring, no doubt, the biggest party of our history, I shall begin by telling of an underground party at school which was probably characteristic of several that occurred there.

At Christmas time, word was spread that the "In Crowd" was getting together in the equipment room. Accordingly, that unscrupulous conglomeration of heathens, an assemblage of degenerates so devoid of principle as to commit the unique and unremittable sin of failing to attend classes, made their way thither in search of a party which by its subtle publicity, would have been an affair of considerable repute. However, the implication of action was one of no recognizable merit because it was over an hour before the food arrived and everybody was too scared to turn on the record player--and in my estimation, at least, a party without food and noise is nothing.

And having thusly revealed, I shall probably find myself apprehended by members of the administrative hierarchy who will categorically demand revelation of the names of those who involved themselves in this deceitful action that punishment may be roundly administered unto them.

But I won't tell, will I? . . . Hey, Barb, an' Carol, an' Don, an' Lindsay, an' . . .

Yet lest I offend those traditionalists in our midst, let me speak also of things more commonly accepted as achievements of distinction. Being a sports fan, I shall begin with athletics.

The football team, coached by Mr. Bright, won its league championship and advanced to the city final. The boys' basketball team, again under the direction of Mr. Bright, won the C. A. P. H. E. R. Tournament, the city championship, and then travelled to the provincial finals in Calgary, compiling a remarkable win-loss record of 24 and 1, and the first regular season of undefeated play in city history. The girls' basketball team, coached by Miss Fisher, paralleled the boys' successes by also winning the city and advancing to the provincial finals. The swimming team, with Mr. Graham coaching, came from a seventh place finish last year to a second place finish in this year's city championship. But perhaps the most notable accomplishment was that of the wrestling team, which in its first year of existence, under the capable coaching of Mr. Eurchuk, placed second in the High School Championships and contributed nearly half of the members of Northern Alberta's All-Star team --14 to be specific, 10 of whom won in the Alberta-British Columbia meet in Vancouver.

As always clubs abounded, varying from those of the arts, sciences, and athletics to perhaps the most disorganized, yet efficient of all--bootlegging.

In the field of literary arts, Bonnie Doon collected nearly \$2000 in prize money as well as a great deal of distinction including a second place standing for the debating team and one of the top three positions in the National Essay and Short Story Competition.

And again in jest, might I add that I have just exhibited a refinement most subtly ingrained within us during these formative years--essentially that while we elaborate on talents and exploits, we conceal vices and failures. For instance, I didn't mention that the football team lost the city final, or that both basketball teams lost in the provincial finals, or that the Reach for the Top team won only one game, or that the president skips and goes to the library.

But be that as it may, Bonnie Doon, this year set a high school curriculum precedent of most unique and enviable status--basically that poker replaced study hall, at least for a few days. Yet if some purist among us feels that that merits a morality squad report, what about Mr. Tymchuk rolling dice in Math class, dice, I might add, which were donated to the cause by Mr. J. M. Craig, Assistant Principal.

So therefore and from hereafter henceforth, do I conclude true and public confessions of Bonnie Doon's Grad Class '68.

VALEDICTORY

Tonight each of us is given a key to a locked door. We have seen the door in the distance. We have imagined what might be hidden behind those heavy planks. But tonight, tonight we may unleash its secrets. To what does the door open? It opens to the future. Tonight we inherit the world. Tonight those who have given us life, seen us grow, protected us, taught us, give to each member of the graduating class a golden key--a key that not only opens to the future but locks the past, with all its memories, its short-lived experiences. To these people we must never forget them, for it is they who have placed the key to the future, to the world, in our hands.

And what shall we find in our world, inherited? Charles Dickens in his novel, "A Tale of Two Cities", describes his era as being the best of times and the worst of times. Strange that something written centuries ago is applicable to our own world today. For there is much that is good in our world, or how could it have survived so many decades, but, there is also that which is bad. There have been men and women, fine men in the past who have striven for a better world, there are such men today and there will be in the future. Men such as Dr. Martin Luther King fighting for the equality of all races not one; men such as Churchill fighting for the freedom of enslaved nations; men such as Pierre Trudeau seeking the just society. Yet there are richly clad men who can pass another man dying in the streets of Bombay. There are men who can march into a foreign nation, such as Vietnam, in the name of peace. Ours is a strange society offering twisted words, perverted ideas; a society in which, in the name of Christianity, white men can persecute black.

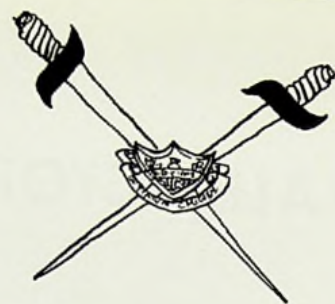

Perhaps mankind has failed to some extent in learning from the past the agony of war; perhaps it has failed to share more equally its wealth, its knowledge; perhaps it has failed to have the understanding, the patience to listen to the problems of other people. But we are young men and women of today and tomorrow. We hold a key in our hands. Each of us must have the will, the determination to be just; to accept the responsibility of caring for someone other than ourselves; to be concerned enough, sympathetic enough to turn our ears where cries grow louder, hungrier. This does not mean that each of us is to be a Martin Luther King, for few of us shall have the ability, the talent, the stamina to solve widespread problems. But let us look to our own friends, to people at work, in our community, in our city. Perhaps then we shall look above these familiar faces to those across the sea.

Marilyn Law, a Bonnie Doon student, expresses it so well in her poem, "The Right to Live":

If I could know the time to speak,
Or give a moment's joy to a dying soul,
Or somehow, through my life, if I
Could help some other heart to love,
Or guide a child to know the right from wrong.
If I could do just one of these,
Then I will have earned the right to live.

In our hands is placed the key to the future, to the world. We must handle this key carefully, and as we enter the door to cross the other side, we should take a glance back. Let us remember the good things, the great things that have been done in the past and carry with us the wisdom of such goodness. Let us remember the bad things, the cruel things that have been done and carry the wisdom never to repeat such errors. Let us remember words such as compassion, understanding, justice. Let us remember love--for "he who loves most, has most". Equipped with this, let us close the door on our past life and unlock the door of the future to meet beyond, the challenge, as it beckons to each here this evening.
